Family Child Care

Extended Duty Child Care

The Extended Child Care Program provides services beyond the standard weekly 50 hours of care. The program offers care in FCC homes beyond the standard 10-hour child care day or 5-day work week. The program provides child care that is more accessible to military members as they perform their mission during contingency or high OPS tempo operations. It is designed to help families that

need more care because they have to work extended hours, evenings, weekends and / or are experiencing a temporary shift change. To be eligible for this program, at least one parent must be an active duty military member, reservist or national guard member on active duty; dual employed (married to civilian) or DoD civilian employee. The FCC coordinator supports the program by ensuring child care providers at Luke AFB are screened, trained and licensed to provide child care, monitors the homes and conducts unannounced inspections during the extended hours of operation. The Extended Child Care homes will meet all of the requirements of the FCC program and will be especially sensitive to the needs of the children whose parents are working additional hours or deployed.

FREE Child Care

Active Duty Military of all ranks who have PCS orders in or out of Luke AFB, can receive up to 20 hours of FREE child care with FCC (only) providers. Registration forms are available at the Family Support Center, Bldg. 1113. You must bring a copy of your orders at registration. For more information call 856-6841.

Meal Reimbursement

Luke's Family Child Care office, located in Bldg. 1137, is a participating member of the USDA Child and Adult Care Food Program. Nutritious meals are available to enrolled children at no separate charge without regard to sex, race, color, age, handicap or national origin. Licensed providers, who are not presently enrolled in the program and would like to receive tax-free reimbursement for meals served to children in their care, may call the FCC office for more information.

For more information call Lisa at 856-7472 or 856-6998

FCC Accreditation and CDA Credentials

Anyone interested in earning FCC Provider accreditation or providers who would like to earn their CDA credentials can call 856-4425 to add their names to a list for upcoming classes to be scheduled in June.

Additional Child Care Opportunities

The Air Force Aid Society will pay FCC providers who offer child care for its volunteers' children. The FCC office is also looking for providers who would be interested in providing care for special needs children or offering child care during nontraditional shifts.

Special Hours

The FCC Office is open from 11 a.m. to noon weekdays in September to assist customers. The office is also open, *for providers only*, until 8 p.m., Tuesday, Sept. 25 and from 8 to 10 a.m., Saturday, Sept. 29. The FCC Office will be closed Sept. 3 in observance of the Labor Day holiday. If you're going away for the long week please drive safely!

School Safety

If they haven't started already, valley schools will soon be back in session. Please watch for children at crossing zones and observe the posted speed limits. Help make our community safe for children going to, and coming from school.

PROVIDER TRAINING
